Shepherd

Streamline your practice with the all-in-one PIMS solution

Shepherd Veterinary Software's intuitive design and SOAP-based medical records let you spend less time in your software and more time with your patients.

Veterinarians who use Shepherd enjoy:

A software that works the way you work

Shepherd updates the medical record, moves items seamlessly from the estimate to the invoice, adds services to the invoice, generates discharge instructions to send home with the client, and so much more.

Savings on third-party costs

Shepherd already includes all the tools you need to support a successful practice — without breaking the bank.
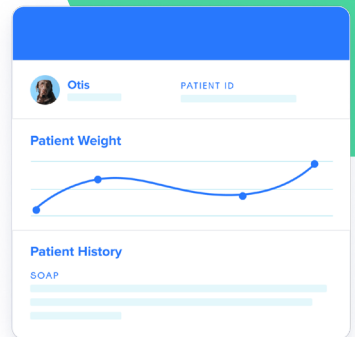

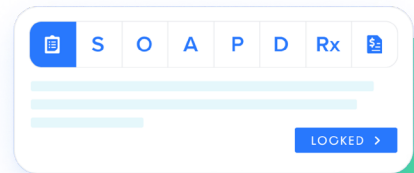

PET PORTAL   **MESSAGING CENTER**   **SHEPHERD PAY**

That's putting your hard-earned revenue right back in your pocket!

Free data migration

Shepherd's experienced data migration team makes transferring your data as simple as possible - ensuring everything is organized as it moves from your old PIMS to Shepherd.

Dedicated support

Built by vets and driven by a clinically trained team, Shepherd's dedicated support team is here to answer any questions, help solve problems, provide additional training, and let you know you're not alone.

"We're extremely happy with Shepherd. It's so much quicker than our older system. We recommend Shepherd to other organizations!"
